LEGEND

When International, State, County, and MCD (Metropolitan Council of Governments) boundaries identify the map items, the boundary symbols are the highest ranking of those boundaries.

Interstate and National Routes are shown by four-digit FIPS route codes.

F.A. Adams, an MCD (Metropolitan Council of Governments) route code, is shown in a separate map from this map. F.A. Adams route codes are shown only on the map of the MCD (Metropolitan Council of Governments) area.

F.A. Adams route codes are shown by the area ID code.

County lines are identified by a red line that separates counties and are shown only on the map of the county. The county line is shown only on the map of the county. The county line is shown only on the map of the county.

Water bodies are shown in blue. The water bodies are shown only on the map of the county. The water bodies are shown only on the map of the county.

Urban areas are shown in light blue. The urban areas are shown only on the map of the county. The urban areas are shown only on the map of the county.

Suburban areas are shown in light green. The suburban areas are shown only on the map of the county. The suburban areas are shown only on the map of the county.

Rural areas are shown in light yellow. The rural areas are shown only on the map of the county. The rural areas are shown only on the map of the county.

Open Space areas are shown in light purple. The open space areas are shown only on the map of the county. The open space areas are shown only on the map of the county.

Forest areas are shown in light brown. The forest areas are shown only on the map of the county. The forest areas are shown only on the map of the county.

Wetland areas are shown in light cyan. The wetland areas are shown only on the map of the county. The wetland areas are shown only on the map of the county.

Water bodies are shown in blue. The water bodies are shown only on the map of the county. The water bodies are shown only on the map of the county.

Urban areas are shown in light blue. The urban areas are shown only on the map of the county. The urban areas are shown only on the map of the county.

Suburban areas are shown in light green. The suburban areas are shown only on the map of the county. The suburban areas are shown only on the map of the county.

Rural areas are shown in light yellow. The rural areas are shown only on the map of the county. The rural areas are shown only on the map of the county.

Open Space areas are shown in light purple. The open space areas are shown only on the map of the county. The open space areas are shown only on the map of the county.

Forest areas are shown in light brown. The forest areas are shown only on the map of the county. The forest areas are shown only on the map of the county.

Wetland areas are shown in light cyan. The wetland areas are shown only on the map of the county. The wetland areas are shown only on the map of the county.
