A detailed map of the Los Angeles area, showing various colored regions (yellow, green, purple, blue) and roads. The map includes labels for 'LOS ANGELES' and 'SAN ANTONIO'. The map is oriented with North at the top. The Los Angeles area is in the upper left, and San Antonio is in the lower right. The map shows a network of roads and highways, with some areas highlighted in different colors. The map is a technical drawing, likely a map of a specific region or project area.

Figure 1 shows a horizontal beam of length L . A coordinate system (x, y) is defined at the left end, with x along the beam and y perpendicular to it. A vertical force P is applied at the right end of the beam. The beam is supported by a pin support at the left end and a roller support at the right end. The beam is labeled "Beam" and the supports are labeled "Pin Support" and "Roller Support".

Figure 1 shows a plan view of the bridge deck. The deck is 10.0m wide. Four instrumented points are marked: 1 (top left), 2 (top right), 3 (bottom left), and 4 (bottom right). A north arrow is shown to the right of the deck, pointing upwards.
